ABOUT HELP FOR CHILDREN (HFC)

HFC was founded in New York in 1998 and is funded by the generosity of the Alternative Investment industry. With the sole mission to prevent and treat child abuse, HFC, a global foundation with 10 locations worldwide, funds the most innovative and effective programs to protect and heal children in our communities. Since inception, HFC has invested over USD \$62.8 million in grants. In San Francisco alone, HFC has granted out \$10.8 million since 2002. Together, we are making the world a safer place for children.
